HELP US FIND THE TEACHER OF THE YEAR!

Raise your hand if you know an amazing teacher!

If you know a great teacher, someone whose approach exemplifies creativity in teaching and who inspires a joy of learning in their students, it's time to nominate him/her for Teacher of the Year honors in Appoquinimink. You can nominate a candidate anytime between now and February 19. Every teacher recommended receives a congratulatory letter, professional recognition and an application. Many more teachers are nominated than actually apply; but every one of them is honored to know a student, parent, colleague or community member cared enough to submit their name. To participate, simply fill out the attached form and turn it in at the office of your local school or call 376-4271.

Appoquinimink School District

TOY Nomination Form

1. I would like to nominate:

2. He/she teaches at:

3. I think this person should be the Teacher of the Year because...

   100 words or less. Young children (K-1) may have a parent write their response.
